WHY SPONSOR USCA?

USCA has become renowned nationwide as the major convener of stakeholders across the spectrum of HIV and healthcare. As one of the few major domestic HIV/AIDS conferences being held in 2018, attendance is expected to be over 3,500. At USCA leaders in the field come together to address issues that may impact your service delivery. Sponsoring USCA builds visibility for your brand or organization, connects you with a diverse group of decision makers, and gives you a forum to share your organization’s message and expertise to the 3,500+ registrants that are expected to be in attendance. Additionally, your sponsorship allows USCA to create innovative programming and funds scholarships to people affected by HIV/AIDS. Make sure that you are present to have important conversations with leaders, decision makers, and front-line service providers.

ALL SPONSORS RECEIVE THE FOLLOWING:
